

■ GREEN MARVEL WHOLESALE PRICING STRUCTURE

TIER 1: SMALL WHOLESALERS (LESS THAN 500 UNITS) — 60% PROFIT

Product	Production Cost (ZAR)	Retail Price (RRP)	Profit Margin	Wholesale Price (<500 units)
Hair Spray	35	130	60% (R78)	R91
Hair Food	35	120	60% (R72)	R84
Growth Oil	35	130	60% (R78)	R91

■ ***Explanation:*** This tier suits small shops testing Green Marvel's products. The price includes a higher profit margin (60%) since volume is low. It ensures sustainable revenue while giving new stockists flexibility to start small.

TIER 2: MID-SIZE WHOLESALERS (500–999 UNITS) — 50% PROFIT

Product	Production Cost (ZAR)	Retail Price (RRP)	Profit Margin	Wholesale Price (500–999 units)
Hair Spray	35	130	50% (R65)	R87.50
Hair Food	35	120	50% (R60)	R82.50
Growth Oil	35	130	50% (R65)	R87.50

■ ***Explanation:*** Mid-size retailers enjoy better pricing to encourage larger purchases. Green Marvel keeps a healthy 50% profit while building strong long-term relationships with trusted distributors.

TIER 3: LARGE WHOLESALERS (1000+ UNITS) — 40% PROFIT

Product	Production Cost (ZAR)	Retail Price (RRP)	Profit Margin	Wholesale Price (1000+ units)
Hair Spray	35	130	40% (R52)	R73.50
Hair Food	35	120	40% (R48)	R70
Growth Oil	35	130	40% (R52)	R73.50

■ ***Explanation:*** Designed for bulk distributors or retailers stocking nationwide. The profit margin is lower (40%) but offset by higher volume and faster stock turnover. This shows you are ready to scale and work with serious partners.

■ PRESENTATION NOTES

- ****Keep it simple**** — explain that your pricing rewards commitment and volume.
- ****Emphasize sustainability**** — Green Marvel offers premium organic hair care, locally made with top-quality herbs.
- ****Highlight growth potential**** — mention your client retention (80%+) and increasing visibility.
- ****Offer support**** — tell them you can assist with marketing material or product knowledge sessions.
- ****Negotiate confidently**** — focus on partnership, not just selling stock.
